President's Message

Fellow members:

Summer is here and it's BBQ season so get at it! As far as the community goes, we have had the spring elections and everyone who ran was re-elected and will hold the same positions as before. The shindig went off without a hitch thanks to the good work of fellow board member, Jim O'Shea. And now we are into the summer hibernation period where not much happens until fall returns. I hope you have a pleasant summer.

Thanks for your time.

Think Gilbert Campaign

Think Gilbert encourages residents to keep their money in their community by dining, shopping and exploring locally. They can also find a particular good/service by searching a directory of businesses in Gilbert via MapIt, a tool that will be located on the Think Gilbert webpage. Coronado Ranch Trash Schedule

The trash schedule for Coronado Ranch recently changed. On Monday, both trash and recycling is picked up by the Town of Gilbert.

Bulk Trash is picked up during the week of the first Monday of the Month. Please do not place items out for bulk trash until the weekend before the bulk items are picked up. Also, be a good neighbor and place your items on your curb and not in their yards.

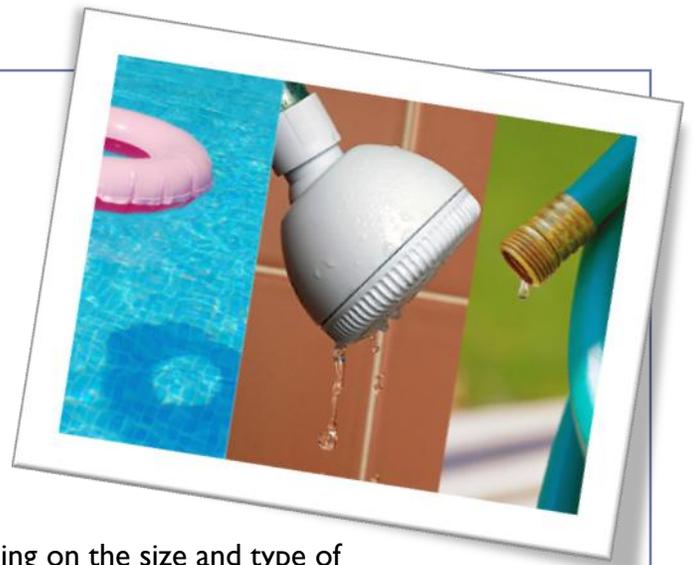

How Much Water Do You Use?

Ever wonder how your water use adds up? Use the new Gilbert water calculator to see how much water your household needs. Compare the calculator's results with your actual use (from your Gilbert utility bills) to see if you have room for savings.

• GILBERTAZ.GOV/WATERCALCULATOR •

Water needs will vary depending on the size and type of the landscape, water use habits, and how many people live in the home. Instead of trying to compare water use with your neighbor, find out how much water your household needs, plus ways to save.
