## The little Library Guidelines

### Boxes

1. Each little library **must be approved by the HOA prior to installing**. Pre-approval is available for kit and libraries purchased from approved vendors. Boxes must not exceed 3'wide X 3'tall X 2' deep. The overall height of box and stand must not exceed 6'.
2. Each little library must be placed on private property (In the front yard of the steward).
3. Library boxes must not be in a place that would interfere with vehicular, bike or pedestrian traffic.

### Stewardship

4. Each little library must have a steward, who will agree to look after, repair and maintain each box.
5. Each steward will check the library bi-weekly to insure the appropriateness of the books and condition of the box.
6. Persons contributing to the library shall contribute only books appropriate for a general audience ("adult books" should not be in boxes).
7. Persons who find adult material shall remove it and, if possible, report it to the boxes steward.
8. Vandalism should be reported to the police. Repairs should be made as soon as possible, but must be made in a timely manner.
